

Majorca Kong Meng Trail - 23km

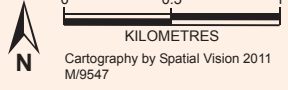

Reasonably gentle ride through forest and township

- Highway
- Major sealed road
- Minor sealed road
- Unsealed road
- Vehicle track (4WD)
- Railway line
- Parks
- State Forest
- Other Reserves
- Water body
- Cycle Direction
- State Route Number
- Picnic table
- Refreshments
- Toilets

Majorca was founded in 1863 towards the end of the Victorian gold rush after two prospectors struck gold at nearby McCallum's Creek. Two months later, there were 250 stores and restaurants catering to a population of around three to four thousand, although many shops and residents soon returned to nearby Maryborough. The town size was sustained for over 50 years through gold mining, including the Kong Meng Mine.

- POINTS OF INTEREST
- Maryborough Railway Station (Longest single platform outside Melbourne)
 - Old Mosquito School
 - Kong Meng Mine Site
 - Old Majorca School Site, Township
 - Cairn - Gold Escort Route
 - Battery Dam Historic Site - Old Eucalyptus Still
